

KIND WORDS

"We couldn't be happier that we enrolled our daughter! After only attending 2-3 sessions we saw such an improvement, I was actually shocked at how quickly learning in a different manner helped her reading improve."

"Tutoring... With A Twist has been amazing in helping our son achieve his goals, not only understanding the content, but in being comfortable with learning."

"Tutoring... With A Twist has definitely helped out our son with understanding his school work and as a side benefit, his confidence in his abilities has greatly improved."

"Tutoring... With A Twist uses a different approach to learning... My daughter looks forward to seeing her tutor and she is able to work more independently in class and home. She doesn't get as frustrated with things and thanks to her Twisted Tutor she has learned new problem solving skills."
